

ANTOINE ZAMUDIO

Automotive exterior designer

Hello, my name is Antoine and I am a graduate of a master's degree in transport and mobility design at ISD Rubika (France). I would be delighted to join your team as an automotive exterior designer.

I'm passionate, curious, and love to get out of my confort zone. Curiosity brings me to new visions, enrich my creativity and stimulate me.

EXPERIENCES

AUTOMOTIVE DESIGN INTERN

EDAG Netherlands - May 2021 to Nov. 2021

I had the opportunity to work in the commercial vehicle market : trucks, motorhomes, vans. I was involved in the development of different concepts from start to finish. I developed my engineering, drawing skills, iterations and 3D renders.

AUTOMOTIVE DESIGN INTERN

MAGNA STEYR Austria - Aug. 2019 to Jan. 2020

I mainly worked on automotive field projects (cars, pickup, trucks) from concept to production.
